Shari and Tom,

Thanks for asking for the extension. I'm granting the extension to 120 days. If at any time during the next 60 day period you don't believe you will have a settlement by 120 days, please let me know.

Thank you,

Subject Extension to 60-day RA Negotiation period  
Southeast Rockford Groundwater Contamination Site

Tom,

We have been negotiating a RA CD for the Southeast Rockford Groundwater Contamination Site in Rockford, IL and are now at day 62. The PRP has provided EPA with a good faith offer; we just need to work out the details. We have a conference call tomorrow and will likely have another meeting in Chicago sometime in December. I am requesting a 60-day extension to allow for the parties to reach a settlement. If the extension is granted, the negotiations will conclude on January 25, 2008. Please let me know if you concur with my request. Thank you, Shari
